

# POWER CONTAINER DATASHEET

Lind Equipment's **Power Container** is the starting point for jobsite power, connecting directly to the grid. Developed specifically for construction sites, its modular design allows for faster delivery and flexible setup without sacrificing performance or functionality. The **Power Container** is available in 10ft or 20ft and can easily be set up to supply power to our **Transformer Carts** and **Power Dollies**.

## Features

- Accepts parallel service feeds.
- Pre-installed lockable meter cabinet.
- Universal bus bar splitter trough.
